

Wedgwood to Inverness Pedestrian Connectivity Project – Design Phase

Hi neighbor! We wanted to make you aware that the Wedgwood Community Council (WCC) is exploring a grant to fund the design phase of a project to provide a safe route for pedestrians to walk between Wedgwood and Inverness. This project would occur within the public NE 88th Street and 45th Ave NE right-of-ways as shown below. As an adjoining resident, we are reaching out to you specifically to make sure you are aware of the project and to invite you to learn more about the project.

There are two ways for you to learn more:

2. We are also hosting a Zoom meeting for you on Wednesday, March 17th at 7PM to describe the project, answer your question and concerns, and listen to your feedback.
