

Wedgwood Vision Plan
 January 14, 2010 Public Meeting
 Mapping Exercise Results
SUMMARY

Focus mixed-use development and higher density housing

Pursue neighborhood improvements such as locating a pocket park in this vicinity and improving/adding sidewalks

Create a key activity node around NE 85th St and 35th Ave NE

Create a continuous, walkable, human-scale business district along 35th Ave NE

Throughout Wedgwood, retain small-scale character in residential areas with landscaping and trees

Create safe routes to schools with traffic calming, new and improved sidewalks,

Streetscape and circulation improvements along 35th Ave NE including crosswalks, street trees, pedestrian lighting, etc.

Create a commercial node with a visible gateway sign
